Correction to Williams (1994)

The article "Recall of Childhood Trauma: A Prospective Study of Women's Memories of Child Sexual Abuse," by Linda Meyer Williams (*Journal of Consulting and Clinical Psychology*, 1994, Vol. 62, No. 6, pp. 1167-1176), contained an error.

On page 1172, column 2, the sentence in line 9 is incorrect. It should read, "There is a tendency for the women who were subjected to more force to recall the abuse."
